BUSINESS, MINING & SPACE

DIMENSIONS OF MINING

- EXTRACTIVE
- SECONDARY – REPROCESSING TAILINGS, SLAGS, WASTE ROCK, ETC.
- URBAN MINING – RECOVERY OF METALS FROM TECHNOLOGICAL WASTE
- SUBMARINE MINING
- SPACE RESOURCES

RED MINERA IS A CHILEAN COMPANY WITH MORE 20 YEARS OF EXPERIENCE, SPECIALIZED IN BUILDING GLOBAL BUSINESS NETWORKS IN THE MINING SECTOR OF SOUTH AMERICA.

ITS OBJECTIVE IS TO BE A COLLABORATOR IN THE TRANSFORMATION OF THE MINING INDUSTRY TOWARD A MORE SUSTAINABLE AND EFFICIENT FUTURE.

REDMINERA CONTRIBUTES TO ATTRACTING AND EXPANDING NETWORKS OF TECHNOLOGICAL AND BUSINESS TRANSFER IN THE MINERAL RESOURCES AND SPACE RESOURCES SECTORS.

STRATEGIC OBJECTIVES

○ COLLABORATE IN THE DEVELOPMENT OF MINING BUSINESSES ACROSS THE FIVE DIMENSIONS

○ DEVELOP A SPACE MINING PROGRAM.

○ CREATE AND PARTICIPATE IN BUSINESS NETWORKS, MARKET DEVELOPMENT, AND STRATEGIC ALLIANCES AMONG MINING-SECTOR ACTORS IN CHILE AND WORLDWIDE.

resources **LUNARIS** 2025
where earth meets space

RedMinera inaugurating in Chile the 5th mining dimension.

MILESTONES

2000 - 2005

- Organization of the Copper 2003 Congress
- Business matchmaking at Expomin
- Market studies for mining suppliers of Canada, Germany, USA, Brazil

MILESTONES

2006 - 2010

- Development of an Investment Attraction Program for CORFO
- Business development assessment for Brazil
- Search investors for Minera Santa Fe
- Representation of China Mining
- Organization of the Mining Safety Seminar in Tongling, China

MILESTONES

2011 - 2015

- Study and market development for copper sulfate in Brazil
- Search for investors for small-scale mining companies
- Development of business and financing networks for mining technology suppliers in Chile

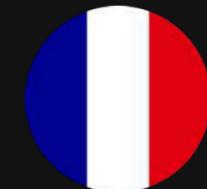

MILESTONES

2016 - 2020

- Representation of mining suppliers companies of Canada, France and Brazil, in Chile

2021 - 2022

- Pandemia

MILESTONES

2023 - 2025

- Investor search at PDAC 2023 for a Chilean mining company
- Participation in Space Resources 2024 (Brazil); CEDS 2024 (Chile); Artemis Seminar 2024 (Chile); IIMCH Conventions (Chile); Giornata dello Spazio (Chile)
- Space discussion panel at Universidad Central.
- Organization of Resources Lunaris 2025

MILESTONES

2023 - 2025

- Engagement with embassies of South Korea, Australia, Italy, Canada, USA, and Brazil on space matters
- Collaboration with the Space Resources Center of Colorado School of Mines; Chilean Air Force; and Brazilian Space Agency

ACTIVITIES

2026 - 2027

- Promote technological agreements in space-related matters between Chilean and foreign technology centers
- Seminar at FIDAE 2026, Artemis Seminar 2026, participation in Exponor 2026 and Expomin 2027
- Creation of a Space Mining Technology Program at one university of Chile
- Attraction of mining investment and market development for suppliers in the Chilean mining sector

RELEVANT TOPICS IN MINING AND SPACE

- Satellite image management
- Space weather
- Rovers
- Space analogs
- Spacefarming
- Rare earth
- Space technology applied to mining

WORK TEAM

MARCO MUÑOZ. MINING ENGINEER, UNIVERSITY OF CHILE
CEO REDMINERA; PRESIDENT OF SPACE RESOURCES COMMISSION, CHILEAN MINING
ENGINEERS INSTITUTE (IIMCH)

GUSTAVO GUINEZ. ELECTRONIC ENGINEER, UNIVERSITY OF CONCEPCION
INNOVATION COORDINATOR REDMINERA, MEMBER OF IIMCH

FERNANDO BRITO. MINING ENGINEER, UNIVERSITY OF CHILE
OPERATIONS COORDINATOR REDMINERA

LUIS CORTÉS CASTRO. MASTER IN INTERNATIONAL STUDIES, UNIVERSITY OF CHILE
INTERNATIONAL COORDINATOR REDMINERA, IIMCH MEMBER

BETSY CONCHA MÀRQUEZ. ARCHITECT, UNIVERITY OF CHILE
PROJECT COORDINATOR REDMINERA

RODRIGO RIVEROS. COMPUTER ENGINEER. U. DE LOS LAGOS
REDMINERA PLATFORM DEVELOPER
